Founders

Celia Brandvold

Chief Executive Officer and co-founder

Celia ran carrier settlement at a mid-size freight brokerage in New Jersey for nine years. Her team paid about fourteen thousand carrier invoices a month and checked a small sample of them by hand. She holds a bachelor's degree in supply chain management. She founded Brasswick in 2025.

Marcus Ashdown

Chief Technology Officer and co-founder

Marcus spent eight years building document extraction for insurance claims software, most recently as a principal engineer. He holds a master's degree in computer science. He co-founded Brasswick in 2025.

Senior team

Lena Haverkamp

Founding Engineer

Lena built search and matching systems at a logistics software company and joined Brasswick in 2025.

Owen Tierney

Customer Success Lead

Owen worked in carrier relations at a freight brokerage and joined Brasswick in 2025. He onboards each broker and runs the recovery desk.
