Terms

1. Services. The Provider answers the Customer's phone lines with its AI phone agent, books appointments and sends refill requests to Customer staff.

2. Fees. Fees are fixed for the initial term. The Provider will not raise them during the initial term.

3. Termination. Either party may end this order form for a material breach that is not fixed within 30 days of written notice. The Customer has no other right to end the order form during the initial term.

4. Data. The Customer owns its call recordings and appointment data. The Provider uses them only to run the service.

5. Service levels. The Provider aims for 99.5% monthly availability of the phone agent.

Amendment No. 1

Effective 2026-04-01. The Customer adds 20 locations, for a total of 40. The monthly fee becomes $36,000 for the rest of the initial term. All other terms stay the same.
