# Hollis Voice: product one-pager

## What it does

Hollis Voice answers a clinic's phone line. It talks to the caller, books or moves an appointment, takes a refill request, routes an emergency to the on-call vet, and texts the owner a confirmation. Staff see a short summary of every call.

## Pricing

| Plan | Price a month | Who it is for |
|---|---|---|
| Starter | $349 | One location, basic call answering |
| Standard | $649 | Booking and refill requests, up to 3 locations |
| Pro | $1,099 | Everything, with priority support, up to 3 locations |
| Group | Custom | Multi-location hospitals |

A one-time onboarding fee of $500 applies to each new clinic. Annual plans are paid once a year in advance and cost 10% less.

## Works with

Common veterinary practice management systems through calendar sync. Standard phone lines and SIP trunks. Text messages to pet owners.
