Hollis Voice: product one-pager

What it does

Hollis Voice answers a clinic's phone line. It talks to the caller, books or moves an appointment, takes a refill request, routes an emergency to the on-call vet, and texts the owner a confirmation. Staff see a short summary of every call.

Pricing

Plan	Price a month	Who it is for
Starter	$349	One location, basic call answering
Standard	$649	Booking and refill requests
Pro	$1,099	Everything, with priority support
Group	Custom	Multi-location hospitals

A one-time onboarding fee of $500 applies to each new clinic. Annual plans can be paid once a year in advance.

Works with

Common veterinary practice management systems through calendar sync. Standard phone lines and SIP trunks. Text messages to pet owners.
