Founders

Imogen Tarrant

Chief Executive Officer and co-founder

Imogen ran operations for a regional veterinary group for nine years. She managed front desks, scheduling and staffing across several clinics, and saw how many calls went unanswered. She holds a bachelor's degree from Hudson Valley Polytechnic. She founded Hollis Voice in 2024.

Teodoro Brandt

Chief Technology Officer and co-founder

Teodoro spent eleven years building speech and telephony systems at Kestrel Telecom Software, most recently as a director of engineering. He holds a master's degree in computer science from Lakeshore Institute of Technology. He co-founded Hollis Voice in 2024.
